Reduce Your Merchant Services Costs

Flat Rate Credit Card Processing

We charge a flat rate of 2.5% plus \$0.10 per transaction. There are no other fees or costs (chargebacks, returns, etc.) ever.

Tribal Operations Benefits

We recognize the sovereignty of the tribal nations. No state sales taxes or federal income taxes are reported. Join the Tribal Merchant Services Association (TMSA) for an additional 0.1% reduction in your flat rate.

Hardware Fit to Your Need

We partner with state-of-the-art hardware manufacturers and have devices that fit mobile, stationary, small, or large spaces.

Stop Paying Extra Fees

Since there are never any additional fees, our effective rate will always be 2.5% plus \$0.10 per transaction which is better than Square, Stripe, Toast, or any of our competitors.
